Blasko – Bass

1 Not Going Away

Ozzy Osbourne, Zakk Wylde and Kevin Churko

Don't tell me I'm wrong / Don't tell me that you know all along / I won't roll over dead / Only I know what goes on in my head / I've got nothing to hide / I'm not guilty inside / I won't give up / After all I'm still crazy / Chorus: I'm not going away / I'm not going / Try so hard to break me / But all your diamonds turn to sand / I'm not going away / I'm not going / Say goodbye forever / I'll wait for you in no man's land / Get out of my way / There's nothing you can do to change what I say / I won't ever let go / I got the answer but you'll never know / I got my eyes open wide / Ain't gonna slip up or slide / Can't take me down / After all I'm still crazy / Chorus: I'm not going away / I'm not going / Try so hard to break me / But all your diamonds turn to sand / I'm not going away / I'm not going / Say goodbye forever / I'll wait for you in no man's land / I'm not going away / I'm not going away / I'm not going away / I'm not going / Say goodbye forever / I'll wait for you in no man's land

2 I Don't Wanna Stop

Ozzy Osbourne, Zakk Wylde and Kevin Churko

I don't know what they're talking about / I'll make up my own decisions / This thing that I found ain't gonna bring me down / I'm like a junkie without an addiction / Mama don't cry I just wanna stay high / I like playing with danger and fear / Everybody's walkin' but nobody's talkin' / It looks a lot better from here / Chorus: All my life I've been over the top / I don't know what I'm doing all I know is / I don't wanna stop / All fired up, I'm gonna go till I drop / You're either in or in the way / Don't make me / I don't wanna stop / Why don't they ever listen to me / It's just a one way conversation / Nothing they say is gonna set me free / Don't need no mental masturbation / Too many religions but only one god / I don't need another saviour / Don't try to change my mind / You know I'm one of a kind / Ain't gonna change my bad behaviour / Chorus: All my life I've been over the top / I don't know what I'm doing all I know is / I don't wanna stop / All fired up, I'm gonna go till I drop / You're either in or in the way / Don't make me / I don't wanna stop / All my life I've been over the top / I don't know what I'm doing all I know is / I don't wanna stop / All fired up, I'm gonna go till I drop / You're either in or in the way / Don't make me / I don't wanna stop / I don't wanna stop / I don't wanna stop / I don't wanna stop / I don't wanna stop / All fired up, I'm gonna go till I drop / You're either in or in the way / Don't make me / I don't wanna stop / All my life I've been over the top / I don't know what I'm doing all I know is / I don't wanna stop / All fired up, I'm gonna go till I drop / You're either in or in the way / Don't make me / I don't wanna stop

3 Black Rain

Ozzy Osbourne, Zakk Wylde and Kevin Churko

Contains an excerpt from "Forwardinoback Didgeeridoo Sample CD" as performed by Ralph "Stick" Hermann. Used by permission. All rights reserved.

The black rain is falling / Contaminating the ground / The human race is dying / The dead are scattered around / What is the price of a bullet? / Another hole in the head / A flag draped over a coffin / Another soldier is dead / How many victims have fallen / How many more have to die / People dying in masses / Angel of death standing by / We've got our marching orders / Defenders of our home and our pride / We've crossed too many borders / Military suicide / Chorus: War killing sons and daughters / Another failed attack / There is no turning back / Blood running down like water / You'll think you got away / Until the judgement day comes / Politicians confuse me / I watch the body count rise / Why are the children all marching / into the desert to die? / The human psyche is twisted / The madness rising again / Another empire falling / I watch them dying in vain / We've got our marching orders / Defenders of our home and our pride / We've crossed too many borders / Military suicide / Chorus: War killing sons and daughters / Another failed attack / There is no turning back / Blood running down like water / You'll think you got away / Until the judgement day comes / Are you ready? / Black rain, black rain / Black rain, black rain / Chorus: War killing sons and daughters / Another failed attack / There is no turning back / Blood running down like water / You'll think you got away / Until the judgement day / You'll think you got away / Until your judgement day comes

4 Lay Your World On Me

Ozzy Osbourne, Zakk Wylde and Kevin Churko

I know you think you're all alone / I haven't been there when you've needed me / I didn't deserve the love you gave / But now I'm telling you I'm here if you need a friend / Chorus: Give me your pain / Give me your anger / Let me be your rock / I can be the pillar of strength that you need / I'll help you keep it all together / It's better late than never / Lay your world on me / I can take the weight / Don't let it twist you up inside / Time never fails to make the heartache stop / You've got to let those feelings go / I'll give you everything I can if you say the word / Chorus: Give me your pain / Give me your anger / Let me be your rock / I can be the pillar of strength that you need / I'll help you keep it all together / It's better late than never / Lay your world on me / I can take the weight / We all laugh and we all cry / We all hurt the same inside / We all fall down and we lose faith in who we really are / But if we can bend instead of break / The choice for us is to make it together / Lay your world on me / Chorus: I'll help you keep it all together / It's better late than never / Lay your world on me / Lay your world on me / Lay your world on me / I can take the weight

5 The Almighty Dollar

Ozzy Osbourne and Kevin Churko

It's in the lives that we lead / Setup for money and greed / A little isn't enough we have to use it all up / Success - Excess, the truth is inconvenient / Oh hang your head / Pillaged and left us for dead / You kept us blind and misled / How could you think nothing's wrong / You won't be smiling for long / When it's / All gone / Gone / We can never go back / Burn into the air and atmosphere / Watching the rain come down / Turn your head away ignore the fear / Watching the ice crash down / Chorus: Our father's justice gets closer / How could you screw us all over / Rape, steal and murder / God bless the almighty dollar / The almighty dollar / Poison the air that we breathe / Chained to industrial need / Destroy the souls that you steal - the radiation is real / Debate - Too late / You've built our funeral pyre / You kill my faith / Mother earth, desecrate / Deceive the whole human race / I know you think nothing's wrong /

We won't be breathing for long / When it's / All gone / Gone / We can never go back / Burn into the air and atmosphere / Watching the rain come down / Turn your head away ignore the fear / Watching the ice crash down / Chorus: Our father's justice gets closer / How could you fuck us all over / Rape, steal and murder / God bless the almighty dollar / Death, doom and disaster / The point of no return / No earthly life ever after / Is it too late to learn? / Burn into the air and atmosphere / Watching the rain come / Our father's justice gets closer / How could you fuck us all over / Rape, steal and murder / God bless the almighty dollar / the almighty dollar

6 11 Silver

Ozzy Osbourne, Zakk Wylde and Kevin Churko

Your words, they go right through me / They circle round my head - yeah / I can't believe I'm still here / I know I should be dead - yeah / This desperation makes me feel so filthy / But I know if I don't stop I won't feel guilty / Take me higher / Crank me faster / Help me get / The thrill I'm after / Chorus: One time to take away all pain / One more to turn myself insane / One shot to keep me high all day / makes my reality fade away / There is no future waiting / There is no morning after / Can't stop obsessive craving / An itch I just can't scratch - yeah / This paranoia stops my mind from sleeping / I don't know if I'm awake or if I'm dreaming / Take me in / You won't deny me / Spit me out / All bright and shiny / One time to take away all pain / One more to turn myself insane / One shot to keep me high all day / makes my reality fade away / One time to take away all pain / One more to turn myself insane / One shot to keep me high all day / makes my reality fade away

7 Civilize The Universe

Ozzy Osbourne, Zakk Wylde and Kevin Churko

Bombs exploding, and tears are flowing / Chasing rockets and gasping for air / You can call it justice or retribution / Yet the reasons are never clear / Freedom is just man's invention, / and a soldier is just a slave / Self inflicted, so addicted, / Bad habits are hard to break / Chorus: I'm alive / Watching better turn to worse / One more time / Try to civilize the universe / Without the righteous, without the faithful / We would never accept the obscene / A false confession, a priest's obsession / Gives the demon a light to be seen / Burn the witch and hang deserters / Chorus: I'm alive / Watching better turn to worse / One more time / Try to civilize the universe / There's only one choice to be made / We're thought restricted, and herd afflicted / The truth is so hard to take / The righteous and the faithful / Give the deaf man to the blind / the world full of confusion / From a disease of the mind / Chorus: I'm alive / Watching better turn to worse / One more time / Try to civilize the universe / I'm alive / Watching better turn to worse / One more time / Try to civilize the universe / Try to civilize the universe

8 Here For You

Ozzy Osbourne, Zakk Wylde and Kevin Churko

I remember all the good times / Sometimes I'd wonder would it last / I used to dream about the future / but now the future is the past / Chorus: I don't wanna live in yesterday / Cross my heart until I die / Don't wanna know just what tomorrow may bring / because today has just begun / No matter whatever else I've ever done / I'm here for you / I'm here for you / So now I sit here and I wonder / What ever happened to my friends? / Too many bought a one way ticket / But I'll be with you 'till the end / I don't wanna live in yesterday / Cross my heart until I die / Don't wanna know just what tomorrow may bring / because today has just begun / No matter whatever else I've ever done / I'm here for you / You're my religion / You're my reason to live / You are the heaven in my hell / We've been together for a long long time / and I just can't live without you / No matter what you do / I'm here for you / Chorus: I don't wanna live in yesterday / Cross my heart until I die / Don't wanna know just what tomorrow may bring / because today has just begun / No matter whatever else I've ever done / I'm here for you / I'm here for you / I'm here for you / I'm here for you

9 Countdown's Begun

Ozzy Osbourne, Zakk Wylde and Kevin Churko

Watching blood stained windows / He must just love the pain / See the children crying / His mother's died again / Dig her grave much deeper / The fatal price she paid / I hope I'm there to hold her / When she comes back again / I see the death and the disaster / There is no happy ever after / The time has come / Countdown's begun / Chorus: Countdown's begun / Is the armageddon finally here at last? / You may see the mushroom / but you won't hear the blast / Don't need a self made prophet / Don't need a holy war / Don't need another leader / To even up the score / I'm cursed with living on a fault line / The doomsday clock was made by mankind / No place to run / Countdown's Begun / Chorus: Countdown's begun / Countdown's begun / I see the death and the disaster / There is no happy ever after / The time has come / Countdown's begun / Chorus: Countdown's begun (x5)

10 Trap Door

Ozzy Osbourne and Kevin Churko

Can you see your reflection / False strength and hollow protection / Run from pain and rejection / the truth stabs again / till the skin is broken / and the cut is open / and the words once spoken / just fade away / Chorus: Too late, standing on the trap door / Too late, standing on the trap door / Too late, standing on the trap door / Too late, standing on the trap door / Big head leads to confusion / Strong heart pumps up delusion / Tough talk, one voice communion / Medicate the pain / Justify your ego / Living with denial / and the thoughts so vile / Won't fade away / Chorus: Too late, standing on the trap door / Too late, standing on the trap door / Too late, standing on the trap door / Too late, standing on the trap door / It's coming / You're falling / You're on your own with no one left to blame / Can't sleep? Coz you've made your own bed / The sentence of the helpless / Sink deep to the trial in your head / The court of the selfish / Why? Tell me why? Can't evade or escape the reality / A true lie and a broken promise / A Judas and a doubting Thomas / A tragedy just to keep you honest / Guilty always fall / through the trap door / Fear the trap door / Though the trap door / The trap door / The trap door / No fear, too scared to look up / Can't win, nothing but bad luck / Clock ticks, your time to face up / You can't run for long / When your world is broken / Your trap door is open / The very words you choke on / Just fade away / Chorus: / Too late standing on the trap door / Too late standing on the trap door / Too late standing on the trap door / Too late standing on the trap door
